## ABOUT VALLEY HEALTH

Valley Health Systems, Inc. is a network of non-profit health centers that has been a Tri-State leader in the delivery of primary care since 1975. Operating in southern West Virginia and south-eastern Ohio, Valley Health provides services to around 60,000 patients each year. Its team of doctors, nurse practitioners, physician assistants, nurses and support staff looks forward to serving you and your family.

## ACCESSIBILITY

**To meet the healthcare needs of our patients, Valley Health is accessible 24-hours a day:**

- **QUICKCARE** is available at select health centers.
- Every health center offers evening hours at least one day per week.
- During non-business hours, our answering service is available to take your call about regular health issues, including OB/GYN care, and can connect you to the on-call provider.
